### Our Events

At Studio96, we host a large range of events - from wedding ceremonies and receptions, concerts, and birthday parties to conferences, corporate events, and product launches. For your event you will get the full venue to yourself.

Our event coordinators strive to meet each client with kindness and care, and to work professionally to transform your vision into reality.

*"The venue is stunning, with so many beautiful places to take photos, and all the cozy couch corners. Everyone raved about it. Working with the coordinators was easy, they were always on top of things."*
